<http://www.pixelescuscatlecos.com/noel>

I'm a freelance web designer with over 8 years of experience in the field and I have designed the following websites from PSD mockups which were also designed entirely by me for Meridian Associates (San Ramon):

<http://www.meridianwebdesign.com>

<http://www.accurateautobodyinc.com>

<http://www.computercite.com>

<http://www.bonierebakery.com>

<http://www.scostaconstruction.com>

<http://www.greens-landscaping.com>

<http://www.greenslandscapingcommercial.com>

**Home Page redesign for
Meridian Associates (San Ramon):**

<http://www.bayareatents.com>

Home page only.

Additional freelance work:

<http://www.americanautoupholsteryandglass.com>

<http://www.productosdecielo.com/english/>.
